

IMPORTANT MESSAGE FOR EIL'S SUPPLIERS AND CONTRACTORS

25th March, 2020

EXTENSION IN BID DUE DATE DUE TO CORONA VIRUS SITUATION

Due to the unfortunate Covid-19 pandemic situation caused by the deadly Corona virus, confronting the entire nation and the world, the Government of India has aptly decided to lock down the entire country for three weeks. Saving human lives takes precedence over anything else. Nevertheless, in order to mitigate the delays to the extent possible, EIL's employees are operating from their homes using various IT tools.

As several enquiries are due during the period of lockdown, it has been decided to extend the bid due date of all enquiries with bid due date upto 15th April, 2020, to 20th April, 2020.

Vendors are requested to upload their invoices on EIL Invoice Portal (<https://www.eil.co.in/invoiceportal/>) along with necessary documentation for expediting the processing and release of their payment. In case they are unable to upload the same on portal due to some reasons, they may mail the invoices along with supporting documents to officer in charge/ project manager mentioned in the respective work order/Purchase Order for expeditious processing and release of payment.

We wish you good health and safety during these tough times.

Please keep on visiting this page for any updates.

Regards,

RK Sabharwal,
Director (Commercial)
